**M1 PEDESTRIAN BRIDGE - DEMOLITION**

We want to relay our appreciation to the Wreckers Team that was involved in the demolition of the Pedestrian Bridge over the M1 highway from 20 to 21 June 2015. The team's performance was outstanding and the task was completed incident free without any incidents. It was a task taken on which we all know were very difficult to complete in the time period allowed.

Thanks again and we will definitely do business again in the near future.

Yours faithfully

Conradt Meyer  
Contracts Director
